VALIDITY CONDITIONS

Checks and tests as required by Reg. III/20.11.1 and 20.11.2 SOLAS 74, as amended and according to IMO MSC.1 Circular 1206 Rev. 1 (\*).

(\*) For the purpose of the application of MSC.1/Circ. 1206 Rev. 1 and the recommendation on conditions for authorization of service providers defined in MSC.1/Circ.1277, the Supplier of the Service is to be preliminary authorized by the Flag Administration under which the Ship is registered; therefore the present certificate cannot be taken as replacing the Administration's approval, when this approval is specifically requested by the Flag Administration of the ship being considered.

For Flag Administrations which have delegated RINA to authorize service providers according to MSC.1/Circ.1277, this certificate replaces the Administration's approval and authorizes the Service Supplier to conduct work on equipment of the following makes and models, installed on ships flying the flag of those Administrations.

"Civic International Pte Ltd" service engineers have been trained and qualified to carry out inspection and servicing of following makes and models of equipment. However validity of manufacturer qualification are to be verified by attending surveyor at each occasion.
